The Curator of Modern Art is a dynamic, ambitious, and resourceful curatorial professional who plays a leadership role in formulating Artis—Naples, The Baker Museum’s strategy for the display, research and growth of its collection of modern art. The Curator of Modern Art is responsible for mounting nationally-recognized, engaging exhibitions and for serving as a visible senior representative of the museum to the public, board members, donors and the media. The Curator of Modern Art fosters collaborative interdepartmental relationships, building mutual trust and respect and demonstrating flexibility and collegiality, to maximize the impact and visibility of the museum’s modern art exhibitions and related programming.

Education/Experience

• M.A. in Art History, Museum studies or related discipline, with a specialization in Modern Art of the United States, Mexico, and/or Europe.
• Five to eight years of progressively responsible and relevant curatorial experience in a museum setting, with a demonstrated history of organizing and managing ambitious exhibitions, installations, and publications.
